

INTERACT ANALYSIS

A new vision of Intelligent Automation

Interact Analysis provides industry-leading market intelligence to the Intelligent Automation sector. Our team of respected industry analysts enables us to provide the highest quality data and expert analysis.

We offer a number of market intelligence services based on primary research. Our industry expertise combined with vast experience in statistical analysis provides you with reliable, trusted intelligence that enables you to make decisions with confidence.

Interact Analysis aims to provide a holistic and comprehensive view of the Intelligent Automation industry with wide-coverage and yet detailed analysis and insight.

Our current coverage includes:

Robotics

Commercial Drones

Commercial Vehicles

Industrial Automation

Interaction

Direct access to the analyst with frequent analyst-client interaction

Leadership Team

**Adrian
Lloyd**

- Research Director for Industrial automation
- >20 years industry experience
- Based in our US office

**Ash
Sharma**

- Research Director for commercial drones & robotics
- >15 years industry experience
- Based at our UK office

**Tim
Dawson**

- Research Director for Industrial automation
- >15 years industry experience
- Based at our UK office

**Jan
Zhang**

- Research Director for Industrial automation & robotics
- >10 years industry experience
- Based at our China office

**Alastair
Hayfield**

- Research Director for commercial vehicles
- >10 years industry experience
- Based at our UK office
